

WE CAN SORT OUT RECYCLING TOGETHER

Please put out your recycling and waste material in the correct bag.
On Collection Day: Place your bags at the bin collection point by 7.00am

✓ **YES please**

✗ **NO thank you**

✓ Clear Bag Mixed (domestic) ✗	
Tins, cans, foil, glass bottles and jars, plastic bottles, tubs, yoghurt pots, beverage cartons, aerosol cans (remove tops – wash and squash). Newspapers, magazines, office paper, cereal boxes, cardboard (flattened), junk mail, directories and catalogues. Soft plastics, multipack wrapping, bread bags, sweet/chocolate wrappers, bubble wrap, cereal box liners, frozen food bags and salad bags.	Ceramic material, broken glass, cling film, polystyrene meat trays, clinical/medical waste. Tissues, small pieces of paper, wallpaper, (shredded paper, wrapping paper, gift bags). Cat/dog/baby food pouches, crisp packets and coffee bags. Clothing and textiles.
Large amounts of paper, including shredded paper, wrapping paper and gift bags should be placed in a separate CLEAR bag.	
✓ *Green Waste Sack ✗	
Garden waste, leaves, grass, hedge cuttings and flowers. Used sawdust bedding from small, hutch animals e.g. guinea pigs, rabbits, mice.	Soil or stones, wood, Japanese Knot Weed, meat, fish, bones or animal food products, cooked vegetables, nappies, animal waste (faeces or cat litter), bagged green waste. These contaminate compost.
✓ Food Waste Bags ✗	
Fruit, vegetables, meat, fish, cooked and uncooked food, leftover food, egg shells, bread, pasta, cereal, rice, tea bags, bones, coffee grounds, chip paper, cream cake boxes, pizza boxes and pet food.	Plastic (including plastic bags from food packaging), metal, glass or any other polystyrene. Bread bags, takeaway cartons, foil. No garden/green waste. Any other household waste.
✓ *Purple Nappy Recycling Bags ✗	
Nappies, wipes, incontinence pads, nappy bags.	Plastic wipe packets, clothing tags, other bedroom waste or sanitary waste.
✓ Black Bags ✗	
Put ALL other household waste into the normal black refuse bag.	Recyclable materials which could go into any of the recycling bags. DO NOT use any of the recycling bags for your refuse. At least 80% of your household rubbish can be recycled.
Sharps and Medical Waste	
SHARP ITEMS , this includes knives, old cutlery broken glass or tools. These items should NOT be placed in CLEAR recycling bags. Please wrap in newspaper or securely place in a box before placing item into the black bag. Alternatively take to a Community Recycling Centre. Failure to do this could result in INJURY to crews, animals or members of the public.	
Sharps and clinical/medical waste are collected differently and you need to register to be part of this service. For more information visit: www.rctcbc.gov.uk/clinicalwaste	

PLEASE WASH IT BEFORE YOU BAG IT!

Recycling bags can be obtained from our collection points across Rhondda Cynon Taf, please visit www.rctcbc.gov.uk/bags for details. Batteries can be recycled using the battery tubs available in libraries and Community Recycling Centres. ***You must register to use these services at www.rctcbc.gov.uk/recycling.**
