

Gwasanaeth Cynnal Dysgu

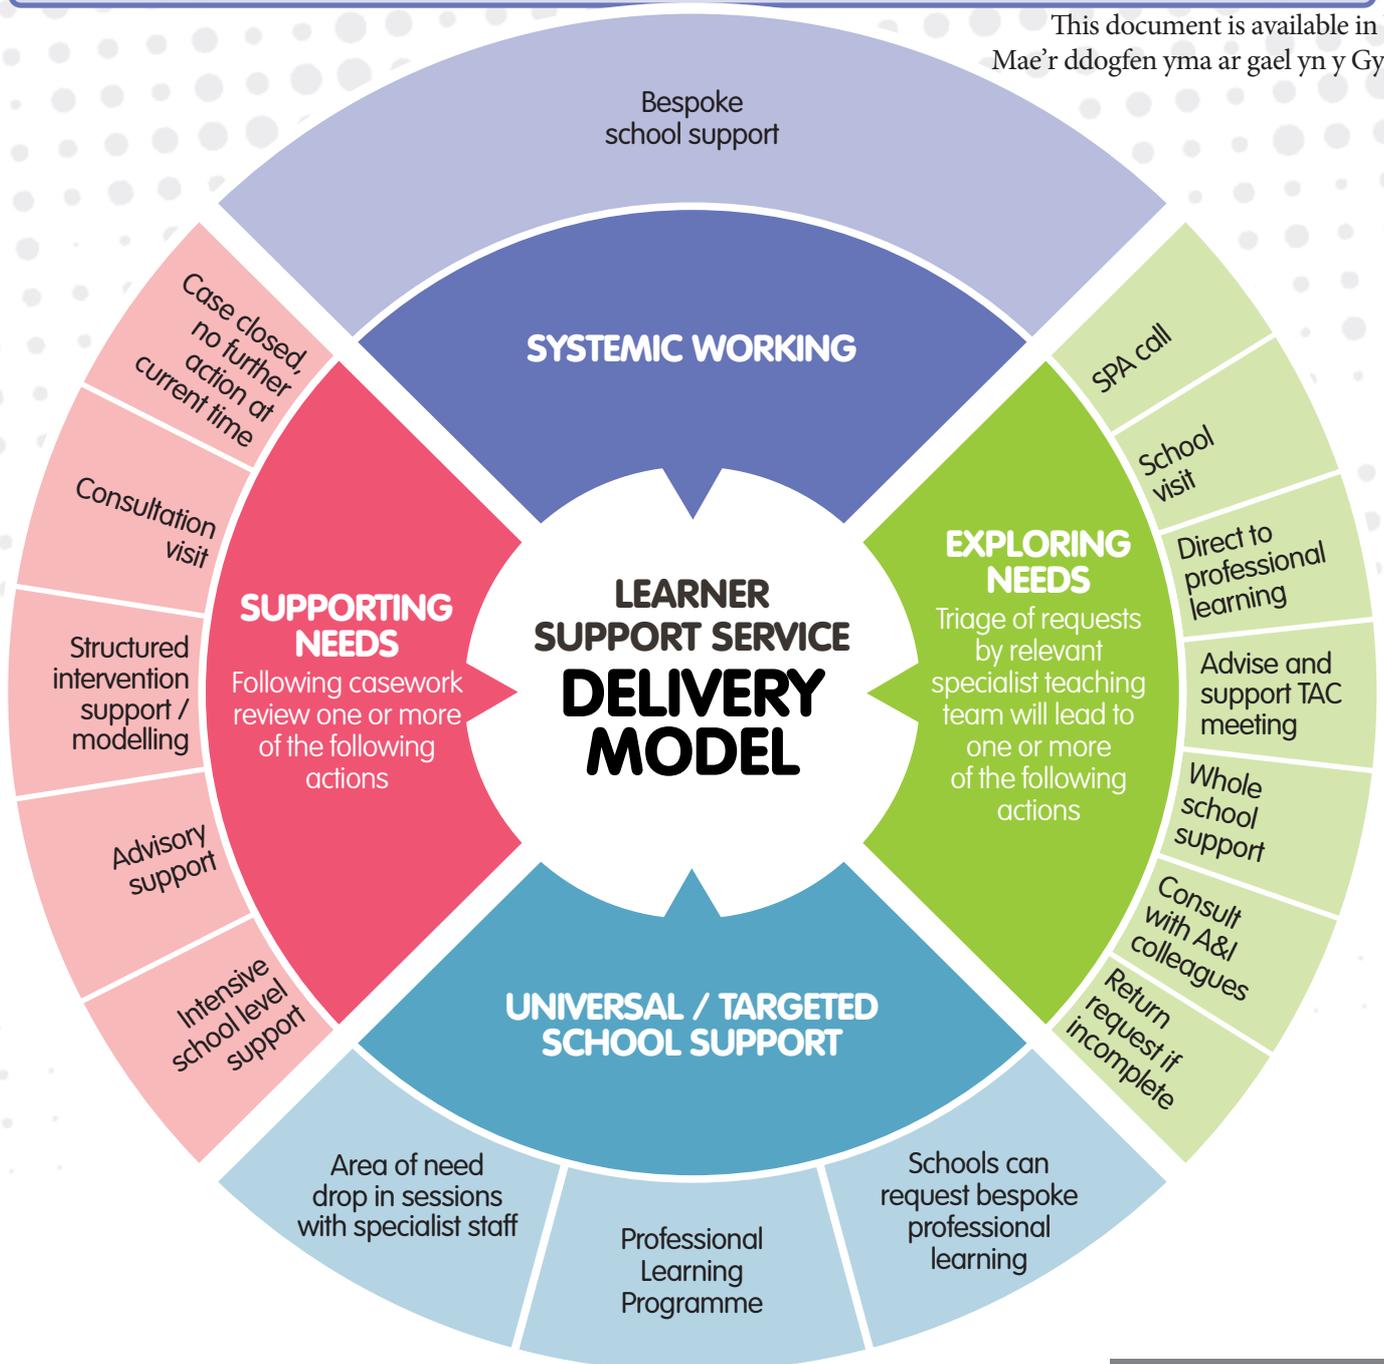

The Learner Support Service provides timely and effective support to schools to develop practice across the school or to identify and respond to individual pupil needs through a flexible service delivery model and a comprehensive programme of professional learning.

The service consists of 4 teams of specialist teachers and support staff, highly skilled in specific areas of ALN.

- **Speech Language and Communication Needs** (including Autism)
- **Cognition and Learning Needs** (including specific learning difficulties)
- **Social Emotional and Behavioural Needs** - Behaviour Support Service
- **Sensory, Physical and Medical Needs**

*The Minority Ethnic Achievement Service (MEAS) sits within LSS.
