

Rhondda Cynon Taff Allotment List – updated March 2018

Allotment plots vary in size, shape and Condition. A full plot is generally between 125m² and 250m². An allotment plot is a commitment of time and energy which is a great form of exercise, in all weathers and often bring the benefit of achievement, healthy eating and socialising.

Most beginners start with smaller plots and apply for a larger plot at a later date once they are sure of the commitment involved. The size of plot is up to you in consultation with the Site Representative and depending on the plots available when you visit. A new plot holder will pay £20 for a full plot and £10 for half a plot, rent is payable for the whole year covering the period 1st April to 31st March.
