

# Llanharan RFC

Llanharan RFC are always proud of their team accomplishments on the pitch. The club is also very proud of the extra lengths that some players go to off the pitch. The club are a close family unit that spend a lot of time with each other, at training sessions, games, fundraising events, family fun days and other events.

One of their Under 11's players, loan, is an Official Young Ambassador for Velindre Cancer Centre in Cardiff. Along with his sister he works extremely hard to raise much needed funds for the amazing team at Velindre. They have already raised a massive £6000, which is a fantastic achievement. The whole of Llanharan RFC are behind loan and his fundraising and they are doing everything possible to help him achieve his £10,000 target.
