

# AFC Penrhiwceiber Mini and Juniors Girls section

AFC Penrhiwceiber Mini and Juniors set up a Girls section in August of this year. They run a weekly Huddle session and they are actively looking to recruit new players. In a short space of time, they have grown from a few girls to over 70 registered female players. They have four teams (Under 8s, Under 10s, Under 11s and Under 12s) and they have joined the South Wales Women's & Girls' League.

The girls have loved playing football for the club. They work hard, have fun, and have made lots of great memories. The club recently organised a trip to watch Wales Women in their World Cup playoff match and the girls had a great time!
