Winner 1

# CARDIFF BLUE DRAGONS WHEELCHAIR RUGBY LEAGUE

Cardiff Blue Dragons have had a busy year fundraising in memory of their former captain Alec Martin. Alec sadly lost his battle with Cancer in December last year. Members and volunteers completed the Cardiff Shine Night Walk for Cancer Research UK and raised over £500. The club also organised a fundraising event in training for Children in Need and are in the process of organising a testimonial tournament for next year.

On top of all this, club volunteers relocated to a new home at the USW Fit Zone in Treforest, welcomed lots of new players, and completed lots of training courses including First Aid, Disability Inclusion, and Match Officiating. One player, Lee Sargent represented Wales in the Celtic Cup, earning his 4th cap and scoring a hat trick of tries against Scotland.
