Winner 11**

PONTYPRIDD AFC

In 2018 Pontypridd AFC was brought back to life, after over 90 years. Founded in 1911 the club sadly disbanded in 1926 due to financial problems. Starting back with a new senior men's team and under 13's boys team, their aim was to grow into a club for the whole community.

The club now have two senior men's teams, and the original under 13s boys team have graduated into a youth team, with more than 20 of the players progressing into competitive senior football for the 2024/25 season. The club have established a minis section, which has now grown to over 35 players across Under 6's, Under 7's and Under 8's age groups. This summer, they gained a ladies team, following a merger with Pontypridd Ladies FC. With this the club have also started girls teams at Under 6's, Under 8's and Under 11's.

In October of this year, the club were very proud to return to their original home of Taff Vale Park. After lots of hard work they were given the keys to return to the ground where Pontypridd AFC played on in its formative years.
