Congratulations..

TONYPANDY ALBION FC

**12 Days of Christmas 2025
Winner 1**

TONYPANDY ALBION FC

This season, for the first time in their 59 year history, Tonypandy Albion FC established a junior grassroots team. After lots of hard work they launched an Under 10's/11's team which now has 21 registered players and 19 regular participants. The club pride themselves on being able to offer these players a safe and supportive place to develop their football skills, while also building confidence, self-esteem and lasting friendships. Off the pitch the team has brought families together and created a strong sense of pride in the local community.

Following this success the club have already started another new team for Under 6's and they hope to continue to build and develop more junior teams over the coming seasons. They hope to offer fun playing opportunities to lots more young people in their community.
