**12 Days of Christmas 2025
Winner 3**

HIRWAUN NETBALL CLUB

Hirwaun Netball Club are a newly established club, based in Rhigos Community Sports Hall. Spear headed by a local mother that was struggling to find a netball club for her daughter, the club has been running since the start of November and have 14 players already. The club has made great progress over a short space of time, affiliating with Wales Netball and receiving funding from our Community Sport Fund. Currently sessions are open to 7 and 8 year olds, but the club hope to welcome other age groups and start multiple teams once they have recruited and trained more volunteers.

The girls, nicknamed the Iron Maidens, have their first training game arranged for December and they cannot wait! They have been training very hard, making new friends and learning the basics skills of Netball. They are a fantastic group of children and numbers are continuing to grow on a weekly basis.
