# PORTH WALKING HUB 'ONE STEP BEYOND'

The 'One Step Beyond' walking hub, which is part of Porth Harlequins RFC launched at the end of last year, following a successful pitch to Interlink for funding. We supported them with marketing materials and promotion, and their group walks began in November. They started with short 2 mile routes and now with over 40 walks under their belt, they are walking 5-6 miles every Sunday.

The group initially walked locally, but as the year progressed and they gained confidence, they travelled further afield to places such as Llanwonno, Cardiff, Llantrisant and Aberdare. The group have had some great highlights, one of which was walking Pen-y-Fan in Brecon. The group are a social bunch and are always looking to recruit new members.
