TREORCHY PRIMARY SCHOOL

Following a very successful sporting year in 2024/25 Treorchy Primary School organised a Sports Presentation for their young people and invited some very special guests. Ebony Ham (Wales Netball), Grace Davies (Cardiff City Women's Football), Logan Lloyd (Wales Rugby U21s), Lewis Lloyd (Ospreys Rugby) and Matthew Pugh (CCFC foundation) all attended the ceremony, with the young athletes really inspiring the school pupils.

The school also received video messages from Cian Ashford (Cardiff City FC) and their former pupil Tomos Williams (Gloucester Rugby, Wales and British and Irish Lions). The ceremony was a fantastic event, loved by all that attended, and following its success the school were inundated with applications for the next Young Ambassadors programme. The school hope to repeat the event again next year, to reward and inspire their young people to play and enjoy sport.
