Oliver-May, Gracie-Leigh, Stella-Jean and Millie Cwmaman Primary School

These Ambassadors are a wonderful presence in their school community, consistently helping out each day in the Nursery class, showing kindness and patience. Taking on this new role of responsibility has been an excellent confidence boost for them, helping them to further develop their voice and belief in their own abilities.

Since attending the Young Ambassador Conference they have delivered a Movement Matters after school club for children in Years 5 and 6. They have taught a variety of games, some that they have created themselves, encouraging teamwork and active fun for everyone. The children attending the club have loved learning new games, discovering hidden talents, and improving their skills. They have particularly enjoyed bench ball and netball. The activities have been entertaining, fun, and inclusive.

"We love helping others learn new games and seeing everyone enjoy being active together. It makes us proud to lead and inspire our friends".

"It's exciting, I enjoyed making new friends, and I enjoyed the responsibility of teaching new games".
