

Gadlys Rovers Juniors FC

This year Gadlys Rovers Juniors have worked very hard to support and raise awareness of food banks that help those in their community that are struggling. They carried out several collections throughout the pandemic, asking players, parents and the community to donate items to the Salvation Army foodbank in Aberdare.

Under 11's coach David Edwards and club Chairman David Dennis led the campaign, along with their sons Zack, Jake and Elliot (who play for the club).

The club have donated many bags and boxes full of food, nappies, hygiene and sanitary products,. Food banks have been a lifeline to people during the pandemic and the work of Gadlys Rovers has had a huge impact on their community.
