

# Abercynon Cricket Club

This year Abercynon Cricket Club offered free cricket sessions to children aged 5-12 years. The sessions were offered as part of two Cricket Wales programmes: All Stars Cricket and Dynamos Cricket. Over 50 different children took part in the sessions, which was more than previous years.

The coaching team worked hard to offer both programmes, volunteering their time on Thursday and Friday evenings throughout the summer. The coaches ensured that sessions were as fun and enjoyable and possible – and the children loved them!
