

# Fusion Gymnastics

Despite being affected significantly by Covid-19 Fusion Gymnastics had some incredible achievements this year. At the British Championships in September their Mens Artistic section won 6 medals. Iwan, who had the stress of sitting his GCSE exams in the summer, placed 8th overall in the UK and finished 2nd on Pommel horse. Kieron did incredibly at the Disability Open British Championships, being awarded Overall champion, Rings Champion and Parallel Bars Champion, as well as Silver on Floor and Pommel Horse. Both gymnasts are an inspiration to the younger gymnasts in the club.
