

# Porth Cricket Club

Porth Cricket Club have had a fantastic year, where their membership has quadrupled. Through a ton of hard work, a dedicated team of volunteers have helped the club to grow and thrive by introducing new junior and ladies sections. In May they launched two Cricket Wales programmes (All Stars and Dynamos) helping them to engage with children age 5-11. Over 50 children enjoyed the sessions, and they are now running them indoors throughout the winter. The club launched a brand-new ladies softball team in August. Around 16 ladies have signed up and the team recently had their first friendly.

To top off the year, their senior team gained promotion in the South East Wales Cricket league.
