

## Taff Ely Indoor Bowling Centre

It has been a busy year for Taff Ely Indoor Bowling Centre! They have six internal leagues for their more established bowlers, as well as social bowling during the week, and a fun night each Saturday evening. They cater for all abilities, and they are always encouraging new people to join.

This year they have welcomed lots of new users to the centre by linking with local partners. Early in 2022 they hosted a programme for Stroke Survivors, in partnership with Bowls Wales, which was well attended. They also hosted a pilot initiative, with BAROD, an organisation that supports recovering alcoholics. More recently they have worked with us to encourage newcomers to 'Give Bowls a Try'. Attendees have loved the sessions, and some have joined as members.
