

Beddau RFC Under 10's

Beddau Bulldogs Under 10's have a large inclusive squad of boys and girls. Most of the team have been together since Under 6's and over that time they have created a strong bond. They are a family on and off the pitch, where the players, coaches and families work together and support each other.

This year the team travelled to play a tournament in Swansea. One local team didn't have enough players to take part, and without hesitation, the Beddau players leapt at the opportunity to help this other team by turning their jerseys inside-out and joining the "opposition". They gave their all to score tries and make tackles against their own team, all in the name of sportsmanship.
