

# Penygraig Bowls Club

Penygraig Bowls Club reformed 10 years ago, twelve years after the previous team disbanded in 2000. They reformed with a team made up of mainly new bowlers. Coaches worked hard to help the new players develop and their hard work has paid off. This season the club gained promotion into Division 1 of the Cardiff League, after winning Division 2. They also won the Mid Glamorgan Division 2 league and the Monday Afternoon league. In a short period, they have also produced 4 Welsh Internationals.

This year the club have worked hard advertising to their local community and delivering sessions in schools. As a result, their membership has continued to grow. The club have been proud to support the Ukraine crisis, donating clothes, blankets etc and developing a close link with their local charity shop.
