## Penelope, Leishan and Rhys

### Hirwaun Primary School

These Young Ambassadors are extremely supportive and friendly within their school. They have delivered efficient and enjoyable training for ten Sports Leaders. They have also been successful in securing funding for equipment to start a Cool Club for 5-year-olds. The club aims for learners to become active at lunchtimes rather than being sedentary. They also inspire learners from their own class to be active during playtimes, and the 6-7 year olds too. The Young Ambassadors also contribute to a Termly timetable of activities. They adore introducing new games to younger learners and love to see them progress, with their confidence. They are proud that they were able to get new equipment for the school, and that it has helped others to have fun, enjoy sport and improve their skills.

"I love being a Young Ambassador – it's so much fun, and I enjoy every part of my responsibilities. The best part is building relationships with my team and connecting with younger learners for them to get a love for Sport" – Ambassador
