Bailey, Kade, Maddie, Mali, Xander and Vimbai Maerdy Community Primary School

Since attending the Young Ambassadors Conference in October, the Young Ambassadors at Maerdy have been excited to improve opportunities at the school, focusing their attention on Foundation Phase children, and particularly the reception class. Due to a lack of extracurricular provision for these pupils, the Young Ambassadors planned and started a lunchtime activity club, encouraging over 50 pupils to attend, and accumulating over 160 volunteer hours between them.

The Young Ambassadors love taking the sessions and are excited to extend these opportunities to other children in the school, with a new Foundation Phase Multi Skills afterschool club beginning in the new year. Everyone at the school are extremely proud of the Ambassadors and are excited to see the impact their hard work will have.

"I love it (being a Young Ambassador), and getting to work with the younger children is good fun!"
"I really enjoy planning fun sessions for the children and seeing them get better all the time."
"My favourite part is taking the sessions, but I really enjoyed filming the Dragon's Den video too!"
"I feel like I'm getting more confident in front of the children, and I enjoy showing them what to do."
