Nyla Llanhari Primary School

Nyla is part of a fantastic group of Young Ambassadors at Llanhari Primary School. She is a fantastic team player and a natural leader. She is respectful, supportive and caring towards anyone that she is working with, and she always gives 100% effort to everything that she does. Since becoming an ambassador Nyla has implemented her learning into projects and activities within her school.

"In my role as an ambassador, I have been leading lots of sports activities, especially out on the yard. I have set up a range of team games and activities for others to play. I have been working with younger classes in the school to help them improve their fitness levels and I have also had a go at leading PE lessons in my own class. I help out as a playground leader, teaching the younger children how to play games and how to use the equipment safely."
