## Kennedy Treorchy Primary School

Kennedy is part of a fantastic group of Young Ambassadors at Treorchy Primary School. Her teachers nominated her because she radiates positivity, is always approachable and humble, and always puts others before herself. They felt she would be a fantastic ambassador for the school, and since becoming an ambassador and attending our conference, Kennedy and her team of ambassadors have taken what they learned and implemented it into school. They have delivered playground games for their peers at school during breaktimes and lunchtimes and working on their Dragon Den's Project. Kennedy has logged 20 hours this month.

"I have been doing lots of sports activities like netball, swimming, and football as well as leading playground games and we are planning an assembly for the new year. I feel more active and proud to be a Young Ambassador".
