We loved working with Sport RCT on the Summer of Fun camps. The process was easy and the support from Alisha and the team was superb. We had a fabulous day showcasing Hockey.

We as a family loved being active together! We all laughed, had fun and spent quality time together.

The variety of adaptive bikes Cwm Cycling have is amazing. Children and adults with all sorts of disabilities can be included.

Communication with Sport RCT was great, we were consulted at every process and felt that our input was valued. We have tried to organise a similar activity ourselves for several years but have found it difficult to find coaches who will be on hand to work with the children. To have RCT Sport RCT and their knowledge and skills run the Sports Days was invaluable.
