“The children really enjoyed the activities. They looked forward to them each day and asked as soon as school started – ‘what is today’s challenge?!’. Thanks for putting on this event, we really enjoyed it and it fitted in well with our topic of the Olympics.” – Llanhari Primary

“The children found the activities enjoyable and were enthusiastic to try them. All the children took part (which is an achievement). After day 2 children were asking about the day's challenge and looking forward to them. We also observed children incorporating some of the challenges into their play at break time e.g. planking competitions days later!” – Hafod Primary
