

GRANT BLACKER

HOPKINSTOWN FOOTBALL CLUB

Grant started the Mini and Junior section of Hopkinstown FC back in 2016, and ever since then he has worked incredibly hard to grow and develop the club. As Head of Football, he oversees every aspect of the Mini and Juniors, with unbelievable commitment and dedication.

The club has 250 mini and juniors registered, with teams from under 5's all the way up to seniors, as well as a great girls section. Grant has an army of volunteers supporting him, but he is instrumental in the delivery of weekly sessions and games, fundraising events, an annual club tour and end of season presentations. He also finds the time to coach the Under 16's and seniors. Grant works hard to ensure that the club is welcoming and affordable, keeping costs as low as possible. The club has a strong family feel, which is evident by how well club events are attended and supported.
