

LISA REYNOLDS

LLANTRISANT NETBALL CLUB

Lisa has been a member of Llantrisant Netball Club for nearly 40 years. After initially joining as a player, she soon started volunteering to help the club. Llantrisant Netball Club has over 250 members ranging from 6 to 60 years old. Lisa began umpiring to help the club with its many league games, but Lisa is not only a qualified umpire, she is also a Level 1 qualified coach, and currently coaches the club's U16/17's team.

Lisa will happily take on any role or task that needs doing from administration to fundraising, or organising and attending club tours. She volunteers her time on weekends and 2-3 nights a week. Lisa's contribution to the overall running of the club has gone under the radar for many years., but without her support and commitment, the club simply would not be where they are today.
