

GAVIN JENKINS

TON PENTRE AFC / BAGLAN FC

Gavin has recently set up three mini football teams at Ton Pentre AFC, meaning that for the first time in their history the club have a Mini and Junior section, with 30 children playing at Under 5's, 6's and 7's. He coordinates the coaches, and arranges and plans training sessions, ensuring all players enjoy their football. This year Gavin has also started a new Walking Football session at the club, which welcomes people of all ages and abilities. In addition to this, Gavin spends around 6 hours a week at the club, leading a group of volunteers that maintain the pitch. He can often be found cutting the grass, spiking the field, and marking the lines ready for matches.

Gavin also finds time to volunteer at Baglan FC where he is club secretary and team manager.

He spends countless hours each week at training and games, and completing off field tasks, such as planning sessions and communicating with players.
