

LYNSEY ROGERS

MOUNTAIN ASH CRICKET CLUB

Mountain Ash CC went through a difficult time in 2021, and the club nearly ceased to exist. Lynsey stepped up and supported the restructure of the club, which included the setup of the Allstars & Dynamos sessions. Lynsey supported both programmes, attending each week. This led to her starting a new female softball team. Lynsey is now Vice Captain of the team, as well as club Safeguarding Officer, which is a very important role. She dedicates so much time to the club, between training, matches and committee meetings. She also helps with kits and is always looking out for player's wellbeing.

Last year Lynsey was recognised by both Cricket Wales and the England and Wales Cricket Board for her outstanding efforts. She received the Unsung Hero award at both the Cricket Wales Volunteer of the Year awards, and the 2024 Season Cricket Collective Awards.
