

ANTHONY SOFFE

CAERPHILLY & RCT HOCKEY CLUB

Anthony has been involved with Caerphilly & RCT Hockey Club since he was a child. He has worked his way up the ranks to the first team and he is now First team Captain, Club Vice Chairman and the Youth Coach.

For many years the club has struggled to develop a youth side. Over the last year Anthony has been working tirelessly to engage and recruit young players. He regularly books time off work to deliver after school sessions in local schools and engages with us to deliver Hockey camps in the school holidays. As a result, the club has gained many new younger members and now have a healthy turnout at their youth sessions on a Monday evening. Anthony's commitment and dedication to growing the club and offering opportunities to young people is greatly appreciated and valued by the rest of the club.
