

OWEN HOOPER

GADLYS ROVERS JUNIORS FC

When Owen's children started at Gadlys Rovers Juniors, he quickly stepped up to support the team as a helper. Within a couple of months, he had agreed to help coach and had completed the required courses. Five years on, Owen is now secretary of the club's mini section and the main Under 7's coach, as well as a key member of the club's fundraising and events team.

Owen dedicates almost all of his spare time to club duties; coordinating teams across the age groups, working closely with the committee to ensure the club is running effectively and planning brilliant events to raise vital funds. Owen truly cares about making football accessible and fun for the children he coaches, teaching them new skills while focusing on building confidence and having fun!
