

STEVE LLOYD

CLWB PÊL-DROED DREIGIAU DÂR

Steve set up Dreigiau Dâr in 2022 after struggling to find a local club for his daughter. Starting with just one age group, the club now has 6 teams, with over 100 children registered.

Steve lives and breathes the club and has overseen the club growth, with endless duties, such as finding sponsors, applying for funding, sorting kit, planning training sessions and advertising to recruit players. As well as being club chairman, he coaches one of the age groups and his main priority is making sure that every child has the opportunity to play football and have fun.

Steve is relentless and always goes above and beyond for the club and its members. He works hard, and manages to always have a smile on his face. Without him, there simply wouldn't be a club.
