

# TIM JAMES

## RHONDDA LAWN TENNIS CLUB

Since completing his Level 1 Coaching qualification Tim has been delivering free junior coaching sessions every weekend. He also offers 'mix in' sessions for new adults and juniors each week. He is very welcoming and engaging, providing a fun and safe environment to newcomers.

As well as coaching, Tim is the Clubhouse manager, and spends many hours completing various tasks such as maintaining the grounds, painting the balustrade and decking, helping in the cafeteria, carrying out repairs, cleaning and maintenance.

Tim plays for the Men's 2nd Team and promotes the venue at every opportunity. He has practically rebuilt the clubhouse and the club would struggle to function without his tireless dedication. He is a great example to all club members.
