

NIGEL WHEELER

Nigel has dedicated over 15 years to grassroots football in the Pontypridd area, making a lasting impact both on and off the pitch. He began his journey with Pontypridd Town AFC, serving as Secretary for the Mini & Juniors, and coaching some of the younger age groups.

In 2018 he was instrumental in the resurrection of Pontypridd AFC, and Nigel has been a cornerstone of the club ever since. He managed the club's first junior team for six years, guiding them from Under 13s through to Youth, and has been ever-present in supporting the senior teams with matchday support, first aid and coaching. Off the field, Nigel is club Chairman and he previously served as Safeguarding Officer. He is a driving force behind the scenes, has secured vital funding and played a key role in moving the club to their original home ground of Taff Vale Park. The club are in a great position to continue to grow and thrive, all thanks to Nigel's commitment and countless hours of work behind the scenes.
