

DANIEL HALFORD

TONYREFAIL BGC

Dan is a volunteer coach with Tonyrefail Boys and Girls Club, looking after their Under 7's team. He stepped in to help around two years ago, when the club were struggling to find coaches for the age group. He is also currently assisting with their Under 5's team.

Dan is extremely enthusiastic and passionate about football and is an amazing role model to the children and the other coaches. He is extremely dedicated, and his enthusiasm is contagious. Dan always promotes strong team values, and he has created a family environment within the team. As head coach he manages training sessions and games, ensuring that all the children take part, feeling both supported and valued. Dan also organises regular fundraising and social events.
